Directions

Approach Uckfield on the A22 Uckfield Bypass and turn off into the town at the Copwood Roundabout (C&H Fabrics and Davies & Tate can be seen from the bypass). Follow the road into Uckfield town, go straight across the "Tesco roundabout" and turn right at the traffic lights by "Boots". Go straight over the traffic lights and look for the turning on the right (Old Timbers Lane) sign posted for Victoria Pleasure Ground. Before you reach the Victoria Pleasure Ground there is a left turning that takes you round the back of the school to the playing fields and where you can park in the playground. As spaces get filled quickly, particularly on match days you can also use the parking facilities at Victoria Sports Ground and walk down.
